

Claimed is a vessel (1) with a mast that has side parts situated on each side of the vessel, said vessel comprising at least one mast having a right side part (2) and a left side part (3). The right side part (2) and the left side part (3) of the mast are mounted on the right and left sides of the vessel (1), respectively, and are designed so that a sail (6) or sails can be mounted therebetween.
